

- Estimation game
- outside walls to estimate dimensions / costs

more remarks of classic games:

- **math war** → on the card there are mathematical properties

- Battle ship
 - coordinates (calculated?)

- Math Jenga

- Dictionary

- Dominoes

- **math foggy**
 - need to make equations

- **Daily pictorial**
 - sketchy assignment to draw something, but only by using mathematics

Things he is not that good at:

- graphic design
- music
- programming?

→ fun & education videos of explaining a programme like illustrator / blender / photoshop
